# GORDIE HOWE

## 9 THE MAN. THE LEGEND.

When people hear the name Gordie Howe most will recall that rugged but graceful record-setting hockey player that sported the famous number 9, known also as, “Mr. Hockey”.

In a career spanning twenty-six NHL seasons, Gordie accomplished more than even some of the most elite players of the game could ever imagine.

Today, a different legacy in his name exists, where the goal is to reduce statistics instead of creating them.

**This is also his story.**

Funds raised through Gordie Howe CARES go directly toward research, and to developing caregiver strategies, education, and support to the caregivers that selflessly dedicate their time caring for loved ones affected with Alzheimer's and dementia related diseases, so they are never alone on their journey.

Our support application, Ripples, is designed to help families prepare for the challenging times ahead of them. With the incorporation of video, stories, advice, and planning tools, caregivers can feel confident making decisions collectively, while maintaining their health and relationships at home and in the workplace.

# THE EVENT

The Pro-Am hockey tournament is an action-packed weekend that jumps into Friday with our Luncheon and Hot Stove Lounge.

**At this year's luncheon event we're celebrating 100 years of the Detroit Red Wings!**

One of the original-six, the Red Wings own some of the most exciting stories in the game, are home to some of the biggest names to hit the ice, and are a team synonymous with Gordie's own milestone NHL career.

The weekend kick-off continues into the evening at the Pro-Am Draft Night held at The Rooftop on 4th. With two full days of competition on the line, the draft order is determined by team fundraising totals.

**Get ready** — the more a team raises, the higher they move up in the order to select their favourite NHL Alumni!

# #WHYWEPLAY

From that first puck drop to the stories in the dressing room after the final game ends, it's easy to see why each and every player arrives with a smile and leaves with something deeper — it's not only an opportunity to care, it's knowing that every effort is truly making a difference.

# IT STARTS TODAY

For those providing the role of caregiver to someone affected by dementia, days can feel like they repeat themselves. The things you reminded loved ones of yesterday may be the same things you are reminding them of again today.

Through Gordie Howe CARES, caregivers can put themselves in a position to better support themselves and their loved ones. Now, days can have more wins than losses.

**It's time to turn day one into day won.**
